## about us

Established in the year of 2003, we Micropure Healthcare Technologies are one of an ISO 9001:2015 Certified organization engaged in manufacturing and supplying a wide range of water Treatment System and its associated Accessories, Our range includes commercial RO system, industrial RO System and Domestic RO systems.

Designed in compliance with the pollution control board standards, these systems can easily conduct ultra violet treatment, brominating, iodination and radial flow iron reduction for intensive biological treatment of water. Our custom-made range is known for its trouble free performance hence is extensively used in residential as well as commercial sectors.

Apart from this, we also render installation and after sales service to our clients, To manufacture our range and render these service, we are supported by a well developed infrastructure. At our infrastructure, we have developed separate manufacturing, quality testing, R&D and in-house unit. At the units, we have installed latest CAD/CAM software and high-tech machines that allow us to offer customization facilities to our clients at highly affordable prices.

Under the able guidance of our CEO, Mr. Rajeev Mittal, we are able to carve a niche for ourselves in this competitive environment. It is because of this help and support that we are able to successfully deliver solutions as per the exact requirement of our clients.

MRP.: Rs. 45000.00/-

### 75 LPH RO PLANT

MRP.: Rs. 65000.00/-

## 250 LPH RO PLANTS

### COMMERCIAL & INDUSTRIAL RO PLANTS

- Suitable for all types of water.
- Fully automatic functions
- Steel frame base
- Hi flow membranes
- Hi pressure booster pumps.
- Dust flushing mechanism.
- Sediment, Activated carbon & media filter.
- UF, UV and Membrane.

MRP.: Rs. 115000.00/-

## 500 LPH RO PLANTS

### COMMERCIAL & INDUSTRIAL RO PLANTS

- Suitable for all types of water.
- Fully automatic functions
- Steel frame base
- Hi flow membranes
- Hi pressure booster pumps.
- Dust flushing mechanism.
- Sediment, Activated carbon & media filter.
- UF, UV and Membrane.

MRP.: Rs. 150000.00/-

## 1000 TO 10000 LPH RO PLANTS

### COMMERCIAL & INDUSTRIAL RO PLANTS

- Suitable for all types of water.
- Fully automatic functions
- Steel frame base
- Hi flow membranes
- Hi pressure booster pumps.
- Dust flushing mechanism.
- Sediment, Activated carbon & media filter.
- UF, UV and Membrane.

MRP.: Rs. 225000.00/-

## AIR PURIFIER

### FEATURES :

- Air purifier type - Room purification Method-High efficiency particulate Arrestant (HEPA) Filter type
- Clean air delivery rate (CADR) 350 m3/hr CADR indicates the volume of purified air in cubic which an air purifier produces every hour
- 4 - Colors air quality indicator
- 100 percent ozone free

**MRP.: Rs. 12500.00/-**

## KITCHEN CHIMNEYS

### » SMART

#### FEATURES :

- Touch button panel
- LED Lights
- Baffle Filter
- m3/h suction
- Glass top
- Rust free frame
- Copper Motor
- Wave sensor
- Auto Heat clean

MRP.: Rs. 14500.00/-

International  
Standards  
Certification

## KITCHEN CHIMNEYS

### » SLEEK

#### FEATURES :

- Touch button panel
- LED Lights
- Baffle Filter
- 1250 m3/n suction
- Glass top
- Rust free frame
- Copper Motor
- Wave sensor

## KITCHEN CHIMNEYS

### » SMILE

#### FEATURES :

- Touch button panel
- LED Lights
- Oil collector
- 1200 m<sup>3</sup>/n suction
- Glass top
- Rust free frame
- Copper Motor
- Wave sensor

MRP.: Rs. 16500.00/-

## GAS STOVES

### 4 BURNER BLACK

#### FEATURES :

- Stainless steel body
- Black Toughened glass
- Brass Burner
- Heavy duty grills
- Ignition Auto/Manual

MRP.: Rs. 8500.00/-

### 3 BURNER (DIGI)

#### FEATURES :

- Stainless steel body
- Digital printed Glass
- Brass Burner
- Heavy duty grills
- Ignition Auto/Manual

MRP.: Rs. 7500.00/-

### 3 BURNER BLACK

#### FEATURES :

- Stainless steel body
- Black Toughened glass
- Brass Burner
- Heavy duty grills
- Ignition Auto/Manual

MRP.: Rs. 6500.00/-

## VEGETABLES & FRUIT PURIFIER

### FEATURES :

- No more chemicals and pesticides the Ozone purification technology removes the chemicals and pesticides from fruits and vegetable while re tanning its nutritional value.
- Kills harmful bacteria : The high voltage electricity generates Ozone to kill harmful bacteria, germs fungus and other pathogens
- Zero maintenance : No part of this product requires replacement and it does not have to be serviced either.
- Keeps food fresh : The Ozoniser restores flavor and taste to the food and extends the food life.

**MRP.: Rs. 5500.00/-**

International  
Standards  
Certification
